LETTER FROM OUR PRESIDENT

As I write this President's Letter, we have just completed the last program meeting of the year – on Zoom. It was fun. Yes, fun, despite the last 14 uncertain months and the challenging obstacles. We kept our branch moving forward to make progress on our mission – something of which we can all be proud.

Cindy Kasberg presided over the Installation portion of the program. She went through the list of elected and appointed officers while asking two questions: 1) What's a first for you in your life and 2) Who would you want to play music at your inauguration? Each board member's answer was interesting and illuminating. Did I say fun? Yes, it was.

We honored Alexia Retallack and Beth Taylor, members leaving the Board. Their service to our branch has been steady and remarkable.

Finally, we had a discussion regarding topics for the 2021-22 program year. The member survey results regarding priorities about three questions (advancing women in leadership; remove bias from education; and fair pay & economic equity) were equally split. They are all priorities – makes sense. The meeting input, coupled with the survey, will inform our upcoming programming. My 21-22 goal is to inform and create a means to act. And to meet in person ASAP.

Sandra Niemi Scott

HELP AUBURN AAUW EARN \$1600 A YEAR

In case you didn't know, our AAUW branch has a core of eight volunteers who deliver voter registration cards to 75 sites throughout the county.

When you go to your local PO, you might see a display box with the Placer County registration cards available. Our volunteers check these sites throughout the year & restock them when needed.

For this service, Placer County Elections Department sends our treasurer \$800 twice a year.

Our wonderful volunteers are: Carol Waechter, Norma Sexton, Sue Dings, Elsie Gaura, Barbara Gerletti-Weiss, Sandra Scott, Susan Rushton and Delana Ruud.

We are looking for additional volunteers to fill some vacancies and help deliver when needed—usually once or twice a year.

Especially needed is help in the North Tahoe area—[a fun place to deliver & have lunch out].

Also there are opportunities in the South Placer area—[Lincoln, Sheridan, Granite Bay, etc.]

This can also be a fun road trip for couples or friends to take together.

Recently we have been told that the verbiage on the registration form has been changed. Therefore, all of last year's cards need to be removed and new ones installed in the sites throughout Placer County.

So, this is our challenge! Would you like to help?

For information, please call Sue Dings

Empowering Women

AAUW has been empowering women and girls by providing tools and resources since our founding in 1881. Today, we support women's education by awarding millions of dollars in fellowship and grants, we support their economic security by providing salary negotiation training, and we foster their leadership from the start at our annual student leadership conference.

OUR SUMMER BREAK

Auburn AAUW normally takes a break in June and July. We will have our annual Board retreat on August 7th. The next Board meeting will be September 7th. The Newsletter will take a break for July, but return for August.

We are planning our first in person meeting in September 2021. It will be wonderful to see all your smiling faces.

Enjoy your summer!

CORRECTIONS TO THE DIRECTORY

MEET THE NEWLY ELECTED BOARD

PRESIDENT—Sandra Scott

Before retiring, Sandra Scott was a technical education program developer at the secondary and post-secondary levels and economic development leader. Over her career, she has directed California community college technical education programs and regional economic development efforts in Minnesota and California. In retirement, she is focused on textile surface design and photography.

Sandra's career included positions at Sierra and San Joaquin Delta Community Colleges, the Minneapolis Chamber of Commerce, and Industrial Fabrics Association, International. Locally, she was a member of the Auburn Union School District Board of Trustees and is currently President of the AAUW Auburn Branch. Sandra is a graduate of the University of Minnesota from which she holds a BA, BS, and an MA.

PRESIDENT-ELECT—Debra Sabo

Debra Sabo is a sixth generation born Californian, loving retirement and moving from San Jose to Auburn in 2013. Her career as an Electrical Engineer started with Project management and design work to managing engineering sales teams for Northern California. Debra holds a BS & Masters in Electrical Engineering from Santa Clara University.

Debra found her way to Auburn AAUW when trying to find a hiking group and was excited to find an organization that helped girls and women in the Tech World and with scholarships. She held the position of Treasurer from 2017-2020 and News Letter Editor/Web Site from 2020-2021. As President-Elect, she will become President when Sandra retires.

MEET THE NEWLY ELECTED BOARD

CO-TREASURER—Jan Winter

Growing up on New Hampshire I loved being outside, enjoying nature and was always curious about the world around me. That led to loving science and particularly biology. I attended Purdue University as a biology major but learned I enjoyed the applied sciences better so changed to Food Science. After earning a BS at Purdue, I went on to the University of Wisconsin for a master's in Food Science.

My first job out of college was in an ice cream factory where I tested raw ingredients but also got to taste test finished product. A yummy but weight gaining job! I have had several jobs in the food industry but as my daughter got older I decided to become a teacher. I taught 7th grade science for 21 years in Lafayette during which time I nominated several girls for Tech Trek. That was my introduction to AAUW.

Carol Daly and I met at an AAUW meeting and became fast friends. We decided to work together as treasurers and are enjoying our tenure. I look forward to another year on the board and hope we can meet in person soon.

CO-TREASURER—Caryl Daly

Almost 30 years ago my husband and I and our 3 kids moved to California from Maidenhead in England. We settled in Pleasanton where I taught middle school math for many years and we were involved in all the usual small- town family activities. Our sons were in Boy Scouts and both became Eagles, our daughter was in Girl Scouts and gained her Gold Award. We were involved in church and vacation bible school, baseball and softball teams and school activities.

Now that they are all grown and making their way in the world I decided to retire from teaching and we moved to Auburn 3 years ago. We are settling happily into life in the foothills and finding new hobbies for ourselves, including hitting golf balls very badly.

I was so glad to join Auburn AAUW and look forward to acting as your co-treasurer for next year.

MEET THE NEWLY ELECTED BOARD

SECRETARY—Bonnie Wilson

I have been a member of AAUW since 1980. I am a retired pediatric nurse, and loving retirement. My husband, Walt, and I have 3 granddaughters, all close by. We are blessed.

I am chair of the Past Presidents' section, and on the Trivia Bee committee. I also participate in the Drama Section.

I enjoy AAUW because you can be as active as you want, according to your time and energy. I have known so many vibrant, diverse, fascinating people through AAUW and continue to believe in education as the stepping stone to success.

I am happy to serve as Board secretary.

CO-MEMBERSHIP VP —Sharon Watson-Hamilton

I was born in Illinois the middle child with an older sister and a younger brother. After high school, I packed four suitcases and with \$60 in my pocket boarded a train for California. I promised my Mom I would return home if I did not find a job within 90 days. On day 89 I started work at Yosemite as a maid to the Curry tent cabins. While there I received notice to start work at the US Post Office in Sacramento. I worked 20 years with the post office while going to school.

I graduated from San Jose State with a BS in Health Science. I then returned to Foothill Community College and graduated with an AS in Radiation Therapy. I began work as radiation therapist in Sacramento where I worked for 32 years and retired in 2019. I absolutely loved my career.

I joined AAUW in 1995 with my first interest in joining a book group. That was followed with board work as Program VP, newsletter "mailer", Vice-President, President as well as other duties in fund raising efforts.

Along the way, I was a Union President for Los Gatos Post office, an elected official for the Placer Consolidated Fire District, sales person for Longaberger baskets, HOA treasurer, and served on the Placer County Grand Jury. I am married, but no children except the four legged dog pets.

MEET THE NEWLY ELECTED BOARD

CO-MEMBERSHIP VP—Barbara Gerletti-Wise

Although I was born in Wisconsin, I feel like a California native. I moved to Southern California at the age of 3, and my only memories of Wisconsin come from camping trips back to visit relatives. The camping trips have left me with a lifelong love of the outdoors. To this day, my husband and I enjoy camping (in a trailer now instead of a tent).

I attended several colleges and worked to pay my way by cleaning salmon in Alaska one summer, working in a potato chip factory another summer, and being a janitor and nanny during the school year. Sure made me see the value of a formal education! Of course, since I attended college in the 60's, I participated in my share of marches for civil rights and women's issues. Never did I end up behind bars, but I experienced enough tear gas to last me a lifetime! And like most people of that era, I played the guitar and sang in coffee houses. It was an interesting time to attend college. Somehow I managed to graduate with a BA in English. When I found myself in the legal field, I got a certificate in paralegal studies from USC, and in order to advance my career, I went back to school yet again for a Masters in Public Administration.

I've been a member of AAUW since 1996 but somehow only at the national level. When I learned about the Auburn Chapter, I joined it. I have no idea why it took me so long to realize there was a local chapter. Since joining, I've been involved in voter registration, the phone tree, the Trivia Bee, and on the board as Secretary, Program VP, President, and Nominations Chair. This year, I am pleased to learn a new job - that of Membership VP - along with co-VP of Membership, Sharon Watson-Hamilton.

On any day that's not too hot, you'll find me in my garden or my kitchen – gardening and baking being two of my favorite hobbies. My garden is my refuge; I plant for birds, bees, butterflies, and all wonderful creatures. And although I'm only an amateur birder, I enjoy it and it's something to do when we travel and hike. On other days, you'll probably find me reading. If I'm not at home, then I'm most likely traveling with husband Ed.

FILLING OUT THE BOARD

Nomination Chair—Norma Sexton

Program VP—Unfilled , But we thank Steve Lease and Colleen Conley for taking positions on the Program Committee.

PUBLIC POLICY—Susan Roughgarden

What are you doing with your time and talents? Where do you invest your energy and your savings?

From time to time, usually around New Year's or my birthday, I take stock of what I'm doing with my life. What is working, and what is not working?

Have you felt like this? What do you stand for? What puts meaning in your life?

When I reflect on what I'm doing, AAUW always pops out as one of the most meaningful. Not only do we provide scholarships for college students and STEM camps for middle schoolers, AAUW is astonishingly successful in legislative advocacy for women, girls, and families.

Let's take a moment for a quick review of our mission and values, as stated in our national website . . .

OUR MISSION **Gender Equity & Economic Security**

We've led the fight for fair pay and economic opportunity for women — and the battle continues: Women still get just 82 cents for every dollar paid to a man, and men continue to dominate the top roles and highest-paying professions.

OUR VALUES **Intersectional. Inclusive. Intergenerational. Empowering.**

Though we are nonpartisan, we are not values-neutral: We fight to remove the barriers and biases that stand in the way of gender equity. We train women to negotiate for pay and benefits and to pursue leadership roles. And we advocate for federal, state and local laws and policies to ensure equity and end discrimination.

OUR THREE-PRONG FOCUS:

Economic Security

We've been working to narrow the gender pay gap, which greets women as soon as they enter the workforce and widens throughout their working lives. Unequal wages stand in the way of a woman's ability to pay off student debt, build wealth, and save for a secure retirement.

Education

We champion equal opportunities in education. Though more than 60% of college graduates are women, they face barriers and biases throughout their schooling. From pre-school to graduate school, girls and women are unconsciously steered into certain fields of studies and away from more lucrative ones, such as STEM.

Advocacy

Our members, supporters, and staff work on local, state, and federal levels to support laws and policies that enable women's success. Our work in statehouses and in the U.S. Capitol has helped pass hundreds of pieces of legislation. Our Legal Advocacy team has supported plaintiffs in more than 125 gender equity legal cases.

For more information, check out our local, state, or national website! If you would like to support our local or state legislative advocacy, send me an email! Together, we can make a difference!
Yours, sincerely, Susan Roughgarden

June 2nd @ 7 pm	The Care and Feeding of Volunteers

MARK YOUR CALENDER

Key Public Policy/Community Dates for June 2021

June 6 On this historic day in 1944, Allied Troops invaded the beaches of Normandy, France. It is the largest amphibious assault in world history. This massive, bloody battle was the turning point of World War II in the European theater.

June 14 Flag Day

June 19 Juneteenth celebrates and symbolizes the end of slavery in the United States. President Abraham Lincoln issued the Emancipation Proclamation on September 22, 1862, but it was not until June 19, 1865 that all slaves were finally freed. That concluding event was when General Fordon Graner rode into Galveston, Texas with his troops and issued Order Number 3, which finally freed the last of the slaves. The formal end of slavery was marked by the passing of the 13th Amendment of the Constitution.

MINUTES FROM MARCH BOARD MEETING

Auburn AAUW - Board Meeting Notes
6 April 2021

Hope Realized

At meeting: Sandra Scott, Caryl Daly, Susan Roughgarden, Steven Lease, Colleen Conley, Deb Sabo, Norma Sexton, Jan Winters, Beth Taylor, Alexia Retaliak, Brandee Ambrosia

Call to Order Sandra Scott

Approval of minutes Rachel Kanowsky
Revisions were suggested for the March meeting minutes. A motion was made to approve the minutes with the corrections.
Motions: 1st Colleen, 2nd Norma - Unanimously passed.

Treasurer's report Caryl Daly/Jan Winters
Showing total gross dues vs. that we get to keep \$20 per membership.
Donations are coming into TT, scholarships, and general fund. However, caution: we have no income currently.
Having difficulty with PayPal external contributions vs. people using our PayPal account/button on the Internet.
An issue with paying online and then sending in their membership form was brought up by Jan. She suggested to have paid by check by PayPal check box.
Motions: 1st Deb, 2nd Alexia - Unanimously passed.

Membership report Alexia Retallack
Alexia is merging the renewal letters with the application on the back to be sent out and an eblast, plus a re-capture of former members. Applications in-house will be put into the database and uploaded to the Google shared drive. Sandra will show Jan and Caryl how to gain access to our shared Google drive. Membership information is on the drive. Alexia will share information she gets back from National. There are some glitches with membership at the National level. Alexia will still send the "ADRs"

Program report Colleen Conley
Plan for 4-22 @ 5 pm. Election/Scholarship meeting: we will have election business then scholarship winners. Discussion was around inviting parents to the meeting. We will leave it up to the recipients to choose if the parents attend.
Plan for May 20 @ 5 pm. installation: Swear in officers and hear from community college scholarship recipients.
We have a hiatus in the summer. Next general meeting will be in September.
Steven brought up a possibility of a fundraiser tied to a women's sporting event. E.g., prepare for March Madness for next year. He invited anyone interested in the concept to give him a call. Susan asked about what happened to the idea of a golf tournament.

Scholarships Brandee Ambrosia
Brandee inquired about the frequency of notification to the Scholarship committee regarding donations to scholarship. When they get that information, Diane Fishburn sends thank you notes.

MINUTES FROM MARCH BOARD MEETING (Con't)

Discussion was around running an information line in the newsletter thanking people for donations. Do we want a graphic showing progress toward a goal - e.g., a beaker for Tech Trek. Do we show quarterly? We should say thank you to people donating but leave out the dollar amount.

We have a huge commitment of scholarships with no fund raiser. Should we do a fundraising campaign? Brandee has volunteered to take the lead on a campaign to raise money April-June for scholarships. Is it a month long, email, social media campaign? Right now, we are seeing some donations with membership renewal.

Brandee feels that we should keep fundraising separate from membership renewal – “go straight to the chase”. Jan raised the question, “how do we get the donation?” Colleen suggested that during the campaign, we could ask family members and friends to donate to AAUW.

Brandee will craft the campaign, including highlighting scholarship recipients. Start at the 4-22 general meeting and introduce the scholarship recipients, which will kick-off the campaign. Sandra will generate the Zoom information and send it to Brandee. Jan suggested that the scholarship girls make a short video, and we send to membership and put on social media. High school scholarships in April and community college in May.

Tech Trek Beth Taylor

Seven girls will go to TT virtual camp this year. They are all the 2020 girls. One final parent permission came into our PO Box. It will cost about \$400 per girl for the virtual camp. California is looking at how to make the program better for the future. Opportunities for input will be on the California website. We got \$2,076 in donations for this year. We will be able to use the left-over money from 2020 plus donations for 2022.

Public Policy Susan Roughgarden

Susan had a great day at Lobby Day. Talked about AAUW with legislators. The Dahle's did not meet with AAUW, however. Next year will be in person, Susan invited members to join the event.

Website/Newsletter Deb Sabo

Newsletter has grown to 20 pages. Ideas are welcome for articles. Suggestions: membership renewal article for April. Deb will put together a graphic to demonstrate donations. Deb would like a dollar amount to use with the graphics. Caryl sends reports that can be used. Deb will put thank you notices in the newsletter for donations periodically.

Cookbook idea/responses to survey. Deb got about 12 responses. About half said they go online for recipes and half were OK with the idea. Deb suggested we find out what the profit would be to put it together and sell. Or we could put recipes in the newsletter with a story to accompany – plus have a donation solicitation tagline. Another point is that we can continuously have a notice in the newsletter about using Amazon Smile and buying See's Candy (the store will be open through June).

Deb will look into the links to National and California that have vanished on the website. The newsletter will continue over the summer.

Nominations Norma Sexton

Thank you to Colleen and Steve to continue serving on the program, but we still need a Membership and a Program leads. We will be soliciting members to step up. We will put a help wanted ad in the newsletter and also send out a separate help wanted email. We also need a Tech Trek chair. Beth has been reaching out to find a chair or co-chairs. Brandee could use a couple of volunteers for scholarship committee.

JUNE SECTION NEWS—Susan Rushton

BOOKENDS: Bookends meets via Zoom at 7 p.m. on Wednesday, June 23rd. We'll be discussing "The Magic Strings of Frankie Presto", by Mitch Albom. The meeting place will be determined. All Members are Welcome. For information contact Susan Rushton at:
