ADVANCING  
EQUITY FOR WOMEN  
AND GIRLS THROUGH  
ADVOCACY,  
EDUCATION AND  
RESEARCH

The **New Year** is a time of reflection and a fresh start. It is the time when we ask, “What did we accomplish in 2021?”

Here are some highlights. We held Zoom General Meetings to keep member communication going when we couldn't hold in-person meetings – as did many of our Interest Groups. Tech Connect made its debut, helping members discuss and solve technology-related questions. Susan Roughgarden participated - along with state-wide AAUW members - in a “virtual” Lobby Day to meet with California Legislators to educate them on AAUW priorities. We gave eight scholarships to local area high school seniors. We sent five of campers to Tech Trek’s “virtual” summer camp. An AAUW Auburn team staffed a precinct on election day, raising \$1,600 for scholarships and Tech Trek. We held an in-person (outdoor) new member meeting to welcome eight new members. At the December Board meeting, we created a new standing committee: Diversity, Equity, and Inclusion. We are seeking committee members to serve with Julann Brown, Chair, in the New Year. Finally, we were able to meet in person for the Holiday Luncheon.

Speaking of the New Year, we will continue to recruit new members (think of the women and men you know who champion equity for women). I will form an ad hoc workgroup to develop new approaches to fundraising. We need to refill our coffers to give scholarships and Tech Trek sponsorships. If you are interested in joining the committee, send me an email: [sandraniemiscott@gmail.com](mailto:sandraniemiscott@gmail.com)

And, as always, we will advance gender equity for women and girls through education and advocacy. Here's to a bright New Year and good things to come.

*Sandra Niemi Scott*

## JOIN THE TEAM: HELP AAUW AUBURN DEVELOP A FUNDRAISING PLAN

We have not been able to hold Trivia Bee, our premier fundraiser, since 2019. Yet, we have continued to provide scholarships and Tech Trek sponsorships throughout this time.

We are grateful to those who have donated to these programs. And to continue our education support for women and girls, we need to replace the funds given out. To this end, we are forming a work group to develop a plan to raise funds – with, perhaps, new approaches.

I am seeking several members to want to help us create a plan. Contact Sandra Scott or call to volunteer or ask questions.

The description of the effort is noted below.

Purpose: Develop an actionable plan to build a pool of funds to support scholarships and Tech Trek.

Chair: Sandra Scott

Meetings: 3-5 meetings/brainstorming sessions

Skills and Qualifications: Knowledge and/or interest in nonprofit resource development and/or marketing

Committee Activities: Create Plan

1. Set Financial Goal
2. Fundraising strategies
3. Build a donor list/targets
  - A. Individual donations/Planned giving
  - B. Businesses
4. Develop talking points
5. Develop public relations, including social media and marketing materials

## INTERNATIONAL POTLUCK DINNER JANUARY 28, 2022

Please mark your calendar for our annual International Potluck Dinner, January 28, 2022, 5:30 PM at the First Congregational Church Hall, 710 Auburn Ravine Road, Auburn.

Doors will be open after 4:30 to allow for organization of your best dinner choices to share.

Expect an evening of camaraderie and learning about our sisters across the globe.

Our presentation will be given by Soroptimist members Ann Bryant and Cheryl Foley who represented their organization during a two-week mission to East Africa. Soroptimist's goals are not unlike AAUW's in that they champion women worldwide and strive for their equity and success. Ann and Cheryl observed the local members of

WEEP, Women Equality Empowerment Project and how they achieved independence.

### STAY TUNED

As we publish this, the Omicron Covid Virus is peaking. Please stay tuned for any changes to our plans. Info will be posted on our Website (under Calendar tab) and emails will go out. [www.auburn-ca.aauw.net](http://www.auburn-ca.aauw.net)

In the meantime, for the safety of our members we have decided to require anyone attending must be vaccinated against COVID. This means 2 shots of a RNA vaccine or one shot of the J&J shot. Boosters are even better! Masks will be required when not eating and when serving the food.

## HOLIDAY LUNCHEON ENJOYED BY ALL

Our members enjoyed a lunch, entertainment, shopping and good company at the Holiday Lunch on December 4, 2021.

Max's provided a wonderful lunch. The Colfax High School were amazing as they sang Holiday tunes with masks on. It sounded great.

It's has been 2 years since our last Holiday Lunch in 2019. Everyone was happy to see the smiling faces of our members.

## AUBURN AAUW BRANCH TECH TREK CAMP 2022 UPDATE

Hello Members!

I am Rachel Kanowsky, the Tech Trek Branch Coordinator for our Auburn Branch. Valerie Lease, another AAUW member has agreed to co-chair the Branch Coordinator position. Welcome Valerie!

As you may have heard, plans are already underway for an IN PERSON Tech Trek camp for summer 2022!

The date for Tech Trek Camp 2022 will be 17 through 23 July 2022. Our TT camp will return to the UC Davis campus and the UCD program. We have requested 8 slots for campers from our service area.

Of course, the final decision as to whether to hold camp in person or virtually will depend on making sure it is safe for campers and staff to attend, following all of the Covid related recommendations. Cross your fingers and toes that we get to have the in person experience!

We expect to receive the branch packets after the Holidays from Karen Manelis, the new (and very experienced) AAUW California

Tech Trek Program Director. Then we will attend training, and begin the nomination and application process.

I would like to share a request from Martha Rees to all of us at Auburn AAUW . "We are reaching out to our previous camp staff to see who might be interested and available to return as dorm moms, teachers, workshop presenters, etc. **If you or anyone in your branch is interested in finding out more about being a dorm mom or other volunteer opportunities, please contact us.**"

*As we've always said, Tech Trek takes a village!*

## A CHANCE TO BETTER KNOW OUR MEMBERS CHARLENE DANIELS

I grew up in a small town in Southern California filled with orange groves and surrounded by hills. My friends and I would spend our free time exploring the outdoors, sometimes on horseback. The only thing that we were wary of was stumbling upon a hippie encampment or encountering an aggressive dog. I believe this started my love of exploring and adventure.

In High School I ran track and was the first female on the men's cross country team. I was not aware of Title IX, but I had always wanted to run cross country. I did not realize until many years later that this law required the High School to let me participate on their team. It had nothing to do with my charm or talent.

I attended college at UC Riverside and majored in Environmental Science. One year I worked in a soils laboratory and interned at the County's transportation department. I liked the soils lab, but I was concerned about the isolation of the work and worried about the holes that would show up in my overalls after I washed them (chemicals anyone?). During the internship, I was surrounded by interesting people and work was highlighted by assisting in the various crises that always seemed to emerge. From these experiences, I knew that I wanted to interact with people and be exposed to a variety of situations.

I came to work for Placer County on the Environmental Internship Program. Once I came here, I never wanted to leave. I could do the type of work I wanted, live in a vibrant small town of Auburn, and continue to explore and travel.

I worked as a planner for the City of Roseville and then Placer County for over 25 years. My profession taught me the importance of community involvement and how important it is to establish an engaging and livable community.

In retirement, I have done a lot of traveling and volunteer work (except the last two years). We have discovered the best way to do foreign travel is by bicycle, as you use all

your senses as you discover new areas. We have been to Turkey, Peru, Spain, Italy, Slovenia, Croatia, Hungary, Czech Republic, and Albania. Cycling also allows to enjoy the local cuisine without adding too many pounds.

I joined AAUW to have a book club and, since I can't say no to Susan Rushton, I am involved in the Trivia Bee (I love preparing questions).

Recently, I have spent a lot of time working with DeWitt Community Complex, trying to bring some community related uses back to DeWitt (a 1943 WWII military hospital, now a county government center) that were forced to leave to make room for a Costco project that never materialized. Our focus is restoring the historic DeWitt Theater with a community-orientated design with an outdoor activity area to serve as a multi-use facility. A place where art, history and community meet.

**TRIVIA BEE IS IN THE WORKS!  
SIGN UP TO HELP WITH OUR MOST IMPORTANT FUNDRAISER  
March 12, 2022**

We have missed 2 years of Trivia Bee and our biggest fundraiser for scholarships and Tech Trek. But the trivia Bee team is running full steam with March 12, 2022 as our date. Mark your Calendar!

We have our committee chairpersons meeting and getting plans in place. We have a list of small, relatively easy tasks that need to be done and are asking for our Auburn AAUW members Or friends OR significant others to volunteer.

- Bar Duty—pour wine, beer and Margaritas for our guests. Need 6 people.
- Take tickets and sell drink tickets at front door. Need 3-5 people
- Sell tickets—to interest groups, outside groups, and manage Roper ticket sales. Need 10 people
- Proctors—need a Chairperson and 7 helpers
- Question Committee—Need 1 additional person to help
- Decoration set-up—Day of event. Place tablecloths and decorations. Need 6 people
- Pass out posters and cards to stores and other sites to advertise. Need 6 people
- Help with other advertising such as an e-mail blast. Need 1-2 people.

Please contact Carol Hachmeister or Deb Sabo to volunteer.

### AAUW Supports *The Build Back Better Bill*

The *Build Back Better* bill (H.R. 5376) has passed the House and is now in the Senate. This bill has three provisions that are critical to our mission:

- \* universal paid family and medical leave up to 12 weeks
- \* an extension of the child tax credit through 2022
- \* affordable childcare

Here are two ways you can help get this important legislation through the Senate:

1. Respond to the Two-Minute Activist (“Take Action”) request from National, and urge your members to do the same. Even though our senators are in support, they need to hear it from us that these three provisions must not be amended out.
2. If you have friends or family in Arizona or West Virginia, urge them to put pressure on their senators to vote “yes.”

## PUBLIC POLICY—Susan Roughgarden

### AAUW Auburn Creates Committee For Diversity, Equity, & Inclusion

#### Julann Brown Elected Chair of New Committee

AAUW is unique among all women's service groups in that it distributes scholarships for women and it works closely with elected officials to improve public policy for women and girls.

Our branch took a giant step during the last board meeting by voting to create a new Committee for Diversity, Equity, and Inclusion (DEI). Furthermore, the board voted unanimously to appoint Julann Brown as committee chair.

As noted in last month's newsletter, Julann is on the Auburn School Board, and she is an entrepreneur, having built a bookkeeping and financial management business.

### Grassroots Efforts Reverse Legislators' Decisions, Your Phone Calls and Letters to the Editor Work!

Elected officials were compelled to reverse several unpopular decisions during 2021, all due to grassroots campaigns. When citizens organize their efforts and express their opinions clearly, democracy wins.

Throughout California, citizens revolted against the Governor Recall Election, and Governor Newsom won by a resounding margin.

Closer to home, the Placer Board of Supervisors was compelled to reverse two of their significant decisions during 2021. Citizens of Placer County did not believe that the Supervisors were representing the interests of the majority.

In the first case, the Supervisors finally listened to the grassroots effort to save the historic DeWitt Theater. It took many phone calls, letters to editor, and attendance at Supervisor meetings, but it became clear that a vast majority of Auburn citizens want to preserve this multi-purpose community center.

The second significant case where the Board of Supervisors had to yield to public opinion was the case of redistricting. Without paying attention to public input, the Supervisors unanimously rubber-stamped a plan that would benefit the current supervisors. Faced with overwhelming opposition to their plan, included editorials in the *Sacramento Bee* and the *Auburn Journal*, the Supervisors reversed their original decision. This is democracy in action!

**INSPIRING WEBSITE OF THE MONTH**

<https://19thnews.org/>

**Welcome to The 19th\***

A century ago, the 19th Amendment to the U.S. Constitution made voting, our country’s most fundamental mode of civic participation, a right regardless of gender. But this watershed moment in our democracy excluded millions of women, particularly women of color, from the ballot box for generations.

Suffrage remains a work in progress for many in this country, particularly people living in states where voter suppression exists and tens of thousands of transgender Americans who face barriers to voting.

Today, women make up more than half of the American electorate and are more engaged than ever in our politics — marching on state capitols, voting at higher rates than men, and running for local office. Yet they remain underrepresented in government and in the nation’s executive ranks.

**73.7 million**

Number of women who voted in 2016 — nearly 10 million more than men

**23.7%**

Seats in Congress held by women in 2020

**7.4%**

Percentage of state legislators who are women of color

In short: The 19th Amendment remains unfinished business, a fact we acknowledge in our logo with an asterisk — a visible reminder of those who have been omitted from our democracy. Our goal is to empower those we serve — particularly women, women of color and the LGBTQ+ community — with the information, resources and community they need to be equal participants in our democracy. We will do this through:

- ⇒ Free-to-consume and free-to-republish journalism that reimagines politics and policy coverage through a gender lens.
- ⇒ Deep-dive, evidence-based reporting that exposes gender inequity and injustice, and reveals surprising and original stories on the issues that most deeply affect the lives of women and LGBTQ+ people, from healthcare to the economy.
- ⇒ A digital platform for civil conversations and community building, and national events that bring our readers into direct contact with their elected officials.
- ⇒ A newsroom that reflects the racial, ideological, socioeconomic and gender diversity of American voters, and is devoted to covering everyone with empathy.

## Inspiring Quote of the Month

”

### Happy New Year!

You already plan your work, but life is more than work. You need to plan the remainder of your life: your family, your friendships, your personal interests and development.

Start with broad goals for each category. Get definitive about what you want. Next, write down the individual steps that will get you to each goal. Be explicit.

Let go of what you don't want so that you can make space for what you know in your heart that you truly want.

Pace yourself. Review and update your plans with fresh ideas. People overestimate what they can do in a day, yet they underestimate what they can do in a lifetime.

Our treasurer can keep debit card safe, as she does with checkbook, etc. Moved by Gerletti-Weiss, seconded by Kanowsky to have Daly contact the bank and request a debit card. PASSED.

Gerletti-Weiss will write letter to AAUW President about how the vendor's mismanagement has affected our members. This has been going on for many years. Scott will co-sign. 1/3 of our members are affected. We have 2 new members.
